

BRAINSTORMS

With Ferrin Cox

We added another name to the Saudi list this week, but we also took one off. It was a belated addition, so the positive thing is our friends are coming home! That list had gotten much longer than we ever suspected it would when we started listing the names of those deployed to the war zone back last fall.

It is nothing new for parents to defend their children, even to a fault. We have all probably been guilty of this in varying degrees. However the mother in Texas who is charged with trying to hire a hit man to kill the mother of her daughter's rival for a position on the cheerleader squad is a bit overprotective. The sheriff out there commented that he got the impression, "the mother is living her life through the daughter." We have seen that from time to time in mothers and fathers, but never have we seen a parent we thought was that wrapped up in any of their children's activities and we hope we never see such.

We read a comment about all the Iraqi "experts" recently. This man observed "Not one in 10,000 Americans understands the thinking of the Iraqis, and it is amazing there is one of that 10,000 in the men's room every time I go in there." He could have added some other places also. We have sat down more than once to drink coffee with as many as six people at the time and each one of them knows as much about Iraq as we do. Ain't it great, that around this part of the country the percentage of experts on most everything is greater than it is nationwide! We are just naturally smart folks!

Now that we have accepted the designation as one of the Iraqi experts, let us warn you that we may wind up with something worse than Saddam. Iran has sat quietly and watched the allies beat up on a country they couldn't handle. Now they are probing for a way to move in and take over Iraq. All they need to do is keep things stirred up, Iraqi killing Iraqi, and soon they can just walk in and take over. We must remember they ain't nice guys either... you recall they took over our embassy in Iran and several Americans are still hostage after years of being held by their friends in other Middle East countries.

A baby starved to death in New York last week. The welfare mother was reportedly out on a six-day drug binge. Other children had already been taken from this woman by the welfare folks, but somehow she still had this seven-month-old child at home with her. We don't know the answer for the drug problem in America but could easily vote for sterilization of hopeless drug addicts after seeing a few cases like this around the country.

Sign Up For Medicare

Between now and April 1, eligible people can sign up for Medicare medical insurance. Jerry Kizzort, Social Security manager in Dothan, said recently.

The open enrollment period is set aside each year to allow people to change their minds if they never signed up for medical insurance or had it before and dropped it.

Medical insurance helps pay doctor bills, outpatient hospital services, durable medical equipment, and certain other medical items and services not covered by the hospital insurance part of Medicare.

For people who enroll now, medical insurance protection will begin July 1. Ms. Kizzort said. The basic premium rate this year is \$29.90 a month. It is increased by 10 percent for each year a person could have had it but was not enrolled.

To sign up for medical insurance or get other Social Security information, people should contact Social Security, Ms. Kizzort said. The Dothan Social Security office is located at 304 N. Oates Street and the telephone number is 671-9346 if you're calling locally, or 1-800-962-8726 (toll-free) if you're calling from outside the local dialing area.

Rev. Joe Di Sarno To Speak At Abundant Life Church

Rev. Joe Di Sarno will be ministering at Abundant Life Church, March 17, 1991. Sunday morning worship will begin at 10 o'clock.

Rev. Di Sarno has been ministering in the Philippines since 1979. Most of his ministry has been in Cebu City, the nations second largest city, with a population of almost one million.

While in the Philippines Brother Di Sarno, along with his wife, Doreen, have worked in the following capacities:

Pastor Joe and Doreen have been involved in planting a new church in the heart of Cebu City. Maranatha Christian Fellowship is the name of this young and vibrant church that was started in April of 1980. Maranatha began with a vision of reaching the middle class of Cebu, which was considered an unreachable people.

In the near future, Joe and Doreen will be returning to Cebu City to continue their ministry. The Di Sarnos' will be Pastoring, training young Pastors, and Missionaries, planting new churches in the cities of the Philippines, and sending out Missionaries.

Abundant Life Church is located at 414 W. Washington St., Samson, AL. Rev. Richard Thorn, Pastor.

Flood Homecoming To Be Held At Elba Church Of Christ

On March 17, 1990, the town of Elba, in South Alabama was severely damaged by a flood. In memory of the great response to needs of the people during that very trying time, the Elba Church of Christ will be having a "Flood Homecoming" on March 17, 1991. The Church plans for this to be a way of expressing their gratitude and appreciation to the hundreds of people who assisted the congregation and the city of Elba in their recovery.

The Day of Appreciation will begin at 9:00. Lunch will be served on the grounds from 12:00 until 1:00. This will be followed with an open House and special service beginning at 2:00. The special day will initiate a Gospel Meeting with Bill Beck, the local minister, as speaker. The theme of this series of meetings will be "Gratitude". Services will be each evening at 7:00 p.m. Monday through Wednesday. The building is located at 715 North Troy Highway, Elba. The public is invited to come and visit the town and see first hand the progress that has been made in the past year.

How Do You Worship God?

In John 4:24 Jesus said, "God is a Spirit; and they that worship Him must worship Him in spirit and in truth." But what does that mean?

In the devotional classic "The Practice of the Presence of God," Brother Lawrence gives an answer to this question. He wrote, "To worship God in truth is to recognize Him in 'spirit and in truth.' When we truly worship, we acknowledge the honor of which He is worthy, we must be sure we approach Him in 'spirit and in truth.' When we truly worship, we acknowledge the true WORTH-SHIP of God.

Don't let any day go by without showing God His WORTH-SHIP.

Let's think about it. Is this the way we worship the One who made us? Do we reverence and adore Him for who He is? To give Almighty God the honor of which He is worthy, we must be sure we approach Him in 'spirit and in truth.' When we truly worship, we acknowledge the true WORTH-SHIP of God.

Rodgers Wins First Place

by Sharon Rodgers

I won first place in the public speaking contest recently held at the Future Business Leaders of America (FBLA) district meeting hosted by the Enterprise High School FBLA in Enterprise. I will now get to compete at the state level.

We, the Zion Chapel FBLA, completed the state project by entering public speaking, plus four other competitions not including talent.

The district meeting began with the first general session, Chris Lasseter, the District IV vice-president was the master of ceremonies. The invocation and welcome were given by members of the host chapter. Also, a member of the collegiate counterpart of FBLA, Phi Beta Lambda, spoke briefly on the continuation of FBLA at the college level. Next, we recited the FBLA creed in unison and everyone was dismissed for their competitions. They were accompanied by the chairperson for each competition.

The chairperson for public speaking was Mrs. Rachel Bryan, an FBLA speaker. Her job was to introduce each speaker. I was the sixth speaker out of nine. The title of my speech was "America's Youth Rising to the Challenge". It was concerned with young people accepting their role as tomorrow's leaders and setting their goals accordingly. After each person spoke they were asked a question by one of the three judges. My question came from the third judge and she asked, "What are your future goals?" I replied, "My future goal is to attend the University of Alabama and major in Law. Also I would like to enroll in my friends and peers the importance of continuing education by using the words of Malcolm X, 'Education is our passport to the future and it belongs to those of us who prepare for it today'."

There was a thirty-minute break and refreshments were served by the host chapter.

The second general session began with the talent competition and the participants were introduced by vice-president Chris Lasseter. Then Chris, State president Meredith Mitchell, and the District IV Vice-President Eric Williamson presented the awards to the winners of the competitions. Next, Chris made the announcement about the State Meeting to be held in Montgomery in April. The meeting was adjourned.

I would like to thank my sponsor Mrs. Rachel Bryan and the members of the Zion Chapel FBLA for their continuing support and help.

Zion Chapel Students Are Recycling

by Donna Holcomb

In response to a newsletter from Alabama PALS (People Against a Littered State), the Coffee County School System is recycling.

The school system is required to submit a plan for recycling to the Alabama State Department by April 19, 1991. In order to determine how much paper is currently being used during a school year, cardboard boxes have been placed in the classroom for students to discard used white paper, white paper, glass, cardboard, and metal may be recycled, but it is to the school system to find a market for these materials. The Coffee County Schools will be able to keep most of the money received from the sale of any of these recycled materials.

Also, since there is now a law that requires each county in Alabama to reduce the amount of solid waste going to their landfills by 25 percent, Zion Chapel is now using plastic glasses in the lunch room.

In connection with the Second Annual "Don't Drop It On Alabama" State-wide Spring Cleanup, the Alabama PALS will sponsor an essay contest for grades 7-12 and a poster contest for grades K-6. The essays should be 250 words or less (typed or written clearly), and the poster should be no larger than poster board size. Both should be in the office of Alabama PALS by April 1, 1991. The theme of the contest will be litter control and recycling. The posters and essays should reflect these themes.

All entries will be accepted, but it is suggested that a qualifying contest be held at each school, with the winners in each group sent to PALS for statewide judging.

Prizes for this contest will be a Proclamation Day Signing with the governor (for principal, teacher, and student), trophies for first place winners, T-shirts, and other awards. This is an excellent way for schools to be recognized as leaders in the area of litter control and recycling.

Carley Wins In Two Contests

by Donna Jacobs

Sandra Carley, a junior at Zion Chapel, recently won third place in the 1991 Beef Cook-off, sponsored by the Alabama Cattlewoman's Association. The Cook-off was held at the Coffee County Extension Office in New Brockton.

The purpose of the Cook-off was to promote beef and demonstrate the many uses of beef. The contestant's recipe could not exceed 5 lbs. of beef, and could be no less than 1 lb. The recipe had to be made exclusively of beef and also had to be prepared according to the recipe directions.

The first place winner received \$50, second place received \$30, and third place received \$20. All other participants received \$10. The sponsors of these students received a \$5 beef certificate toward a purchase of beef. There were students competing from Enterprise, Elba, Zion Chapel, and New Brockton.

Sandra's recipe is as follows: **Oriental Beef with Almonds**
2 lbs. sirloin steak
2 cloves garlic, minced
1 medium onion sliced
1/4 cup bell pepper, cut in strips
1/4 teaspoon ground ginger
3 tablespoons cooking oil
3 small tomatoes, quartered
1/4 cup toasted almonds
1/2 cup soy sauce
1 tablespoon cornstarch
1 teaspoon sugar
1/4 cup water

Cut meat into bite size strips, add garlic and cook in oil until browned. Remove meat and garlic and saute onion and celery in remaining oil for one minute. Combine soy sauce, ginger, sugar, water, and cornstarch in a small bowl.

Put all vegetables, meat and sauce mixture in the skillet and steam for 15 minutes. Before serving mix in almonds, save a few for garnishing. Serve over rice. Yields: 6 servings

Shannon Ward Cover Miss USA

by Wendy Chandler

Shannon Leigh Ward recently was named Cover Miss USA at the Easter pageant held at the Enterprise Civic Center. Shannon is the seventeen-year-old daughter of Larry and Judy Ward and she is a senior at Zion Chapel High School. Shannon enjoys being the variety cheerleader captain and spending time with family and friends. Being chosen to reign as Cover Miss USA will give Shannon the chance to compete in the national finals that will be held in Daytona, Florida this summer.

Elba One Year Later. . .

by Rusty Beedle

It doesn't seem like all that long ago in some ways. In others, the time span seems to be eons and eons. No matter what perspective, the past 360 very real days have certainly been different from any that we had ever expected. The day of March 17, 1990 shall be embedded in our memory forever, and the events since that day have been heroic and heart-warming.

I never thought we could have come this far in so little a span of time. After the raging waters had left our quiet town, the desolation and destruction ran so deep and infected so much of our community that rebuilding seemed a very long and very hard road. "Can we come all the way back?" seemed to be a question on so many lips last spring. Yet today, as I drive throughout Tigertown, I see new buildings and homes, fresh faces with big smiles and even bigger hearts, all rejoicing over the victory this town has won the past year. So many dreams that seemed washed away now seem more real than ever, and people that once seemed broken and wondering now have purpose and direction. Yes, an un-

Cedric Smith Day

by Jan Carpenter

On March 16, 1991, a special day has been planned for Enterprise and the surrounding areas. It's a day set aside for citizens to give honor to his due, to Cedric Smith, a former Enterprise Wildcat.

After graduating from high school, Cedric spent his college days at the University of Florida. He was later drafted into the U.S. Navy and now plays with the Minnesota Vikings.

The day's festivities will begin with a fun, fast, and exciting X-Mas ending at Bates Memorial Stadium where Mayor Jackie Thompson will present Cedric with the Elba High School. She is a member of FBLA, Mu Alpha Theta, VICA, Girl Scout Troop 430 and a member of the Baptist Church. She has blond hair and green eyes and is very talkative. Her hobbies include swimming, and going out with friends. She drives a blue Acura Integra. In past years she was a member of the marching band where she played clarinet. If you haven't figured it out yet, here are one last hint: Flowers are a part of her life.

Elba FBLA Wins Four

by Anita Wallace

The Elba Chapter of FBLA won four awards at the District IV FBLA Contest at Enterprise High School on Saturday, March 2, 1991. Stacy Knight won first place in Accounting I, Art Williams won first place in Public Speaking, and Cedric Smith won second place in Information Processing. The first and second place winners will compete in the state contest in Montgomery, Alabama on April 12 and 13.

Other participants in the district con-

test were Lori Marsh, Keyboarding I; Vanessa White, Keyboarding II; Charles Smith, Business Calculations; Patrese Pruitt, Job Interview; and Stacy Nunn, Computer Concepts. Mrs. I. Clark, FBLA sponsor, accompanied these members and cheered them on as they were recognized for their performance.

The members of the Elba High School Chapter of FBLA congratulate these winners and participants for representing our chapter, school, and community. Good luck at State.

This Is What We Are Up To

by Charla Pearce

As you may already know, the staff of the Tiger Tales news page doubles as the staff of Elba High's yearbook, the Elba. As the Elba staff, we have been strenuously working since September to put out an absolutely outstanding Elba. One can only imagine the intensity of preparing the Sports section, being that the Elba Tigers hold a special place in the heart of every Elba citizen. This year's sports section will cover the 1990 Football Tigers, our top ranked basketball team as well as the Baseball Tigers. The 91 Features section, which will include Miss Elba, Miss Elba and Little Miss Elba, will possess all new layouts with an enhancement of color. Through techniques learned at a yearbook workshop attended by the staff earlier in the school year, we prepared the introduction, referred to as Student Life, the Organization section, and the Ads section with catchy copy, great photos and flashy layouts.

We are personally proud of our progress thus far and we are looking forward to an absolutely outstanding Elba 1991. We would like to take this opportunity to publicly thank the members of the Elba staff who purchased ads from the staff. Your graciousness has enabled Elba to maintain our budget. We realize that our staff may have approached your business during trying financial times. We considered that many businesses are still involved in their comeback from last year's flood. Our gratitude to these businesses is immeasurable. Consequently, making a comeback and "Laying a New Foundation" is the theme of the 1991 Elba. We wish to everyone of Elba the best of luck in whatever type of comeback you may need to make. And once again, we would like to thank all the merchants and individuals who have given us the time to create the yearbook we dreamed of.

7th Grade Competition

by Mrs. Elizabeth Hunt, the Newspaper in Education coordinator for the ENTERPRISE LEADER, got corporate sponsors to donate enough copies of the Sunday edition of the LEADER for all seventh grade study skills students to have a copy. These newspapers were used in conjunction with a unit on the history and benefits of reading newspapers taught by Mrs. Calhoun, librarian. Activities included a vocabulary list with definitions unique to newspapers, the distinguishing between fact and opinion, a scavenger hunt to find different kinds of information and two creative writing activities. One creative writing activity involved the writing of a culine (caption) to accompany a comic picture. First, second and third place winners were selected in all 3 study skills classes. The other creative writing assignment was to complete one of the following activities:

1. write a letter to the editors of the "Tiger Tales"
2. write a classified ad
3. write a story about current school situation using the 5 w's of good journalism

The Tiger Tales staff will select several of these for inclusion in future issues.

Winners of the culine competition are as follows:
3rd period Mrs. Cook
1st Anna Stokes
2nd Danielle Brown
3rd Wayne Duncan
5th period Mrs. Padgett
1st Joe Lott
2nd Rudy Free
3rd Todd Grantham
6th period Mrs. Cook
1st Janna Windham
2nd Chris Khadad
3rd Todd Hollinghead

THE PRESSBOX

By Ricky Mularz

The Mularz house was invaded by 15 young ladies ages 6-8 Friday night for a spend-the-night party, and while all the girls were well-mannered and well-behaved, I'll have to admit that it sure was nice when the house was empty again Saturday afternoon. The party was part of a birthday present for Melissa, and even though we had a few minor squabbles and the girls didn't understand my desire for peace and quiet at 2:00 in the morning, they all seemed to have a great time and a couple even cried when Mom and Dad came to pick them up Saturday.

I realize that having spend-the-night parties are just a small part of being a parent and I'm sure we'll have another one day. However, from experience, let me say that my fellow parents need to remember one thing - get plenty of sleep the night before the party!

TIGER BASEBALLERS LOOKING FORWARD TO SEASON

The Elba Tiger baseball team has been hard at work for quite some time in preparation for the upcoming season, and judging from the dedication and hours of hard work put in, I'd have to say that this year's team will do its best to continue the rich baseball tradition at Elba High.

The Tigers lost their top two pitchers off last year's state tourney team and the pitching will be the key to success this season; however, while the Tigers may not have veteran pitchers to take the mound every night out, they do have a bunch of players that have been winning baseball games for many years and will do whatever it takes to keep on winning. Great pitchers won't be found and there won't be any big surprises from any of the pitchers on staff, but those that take the mound will scrap and battle each and every batter.

Gone from the defense will be two starters in the infield and three in the outfield, but the Tigers will have Shane Blanton back behind the plate and two of the top gloves around in Hayden Young at shortstop and Joe Johnson at third-base. These three should anchor a defensive unit that could just be the best in years.

Most of the Tigers punch at the plate left with graduation, but the Tigers still have solid hitters in Blanton, Young and Todd McCall, and with a little time, could develop into a solid hitting team. The Tigers have an aggressive group that will attack any pitcher it faces and I will be greatly surprised if the Tigers don't get their cuts.

Summing up this year's team, I guess the word aggressive would have to just about describe the entire bunch. This group of young men have won in everything they've done for three years and won't accept defeat without putting up a fight. Yep, this year's Tigers should be fun to watch!

LADY TIGERS TO CARRY THE BANNER IN SOFTBALL

Girls' softball is back at Elba High this spring and if hours of hard work pay off, the Lady Tigers should be big winners. The softball team has been hard at work for almost five weeks, first holding a two-week tryout and then practicing daily for three weeks solid, and the work has been long and hard for all concerned.

Girls' softball is getting big across Alabama and I think it's super that Elba is fielding a team. However, the players and fans must realize that this is the first team in many years and it will take a while before the Lady Tigers are at the same level of the teams that have been playing for years. You must crawl before you walk and walk before you run, and while this year's Lady Tigers shouldn't crawl for very long, it may be a while before they are off and running!

SPRING FOOTBALL DRILL IS GOING WELL IN ELBA

The Elba Tigers closed out their second week of spring football practice last week and in spite of sickness and injuries, the Tigers are getting a lot done and getting off to a fast start toward the '91 season.

Many have said that the Tigers will be way down in '91 and be hard pushed to win a bunch of games, but Coach Wood is very optimistic after two weeks of spring work and feels that this team has the pride and dedication it takes to be winners. The depth and quality may not be at the same level of years past; however, this bunch of Tigers want it bad, and like the cheerleaders say, "You've got to win it!"

Youth registration to end Friday

Coach Wood pleased with spring football practice

The Elba Tigers wrapped up their second week of spring football practice last week with a Friday scrimmage and according to Coach Mack Wood the Tigers are improving quickly and enjoying a good spring.

"We had ten players miss the scrimmage Friday for one reason or another and it hampered us as far as getting to look at a bunch of kids," advised Wood, "but it was a good scrimmage and we saw some things we liked."

Elba Tiger baseball team ready to defend Area championship

The Elba Tiger baseball team has been burning the midnight oil in recent weeks in preparation for the upcoming season and Coach David Lowery expects the Tigers to battle for a second straight Area championship.

"We lost some quality players and our entire pitching staff," stated Lowery, "but we've got back three starters and several players who saw action last season, so we're looking to compete for the area title and another trip to the state tourney."

"Our primary concern will be pitching," added Lowery. "We don't have a single pitcher that had to come through for us last year in a clutch situation and we'll just have to work hard to find some players that can get across the plate first, and then try to get some strikeouts. David Rowe had a couple of good games for us last year and has the potential to be a solid 3A pitcher, but he has lacked consistency in his previous two seasons and with the schedule we play we have to improve all areas to be effective. Hayden Young may be our best pitcher right now, but he's one of the top shortstops around and when he has to pitch it will leave a hole in the infield. Others who will have to help on the mound include Todd McCall, Joe Johnson and Mark Matthews. We won't have a pitching staff, we'll just have a bunch of throwers who will have to try to keep us in the games."

"At the plate we should have the potential to have a pretty decent team," said Lowery. "Shane Blanton, Hayden Young and Todd McCall all hit the ball well last year, and we feel like we can get people on base and score some runs. Over on defense, Hayden Young and Joe Johnson are solid on the left side of the infield, we have good quickness in the outfield and also have good players to fill in the holes left by graduation. I think we'll have a good defensive club."

When asked about the Area 2 race, Coach Lowery stated, "Rehobeth will have another very good team this year and has just about everything coming back, while Slocomb plays solid baseball and Slocomb is a good defensive club."

SPORTS FANS!

I BET YOU DIDN'T KNOW.....

Amazingly, the height of the basket in basketball—10 feet above the floor—was established by chance when the game was invented in 1891 and has never been changed... The reason 10 feet was chosen was because basketball's inventor, James Naismith, attached 2 baskets to balconies at each end of his gym—and those balconies just happened to be 10 feet above the floor.

One of the most incredible records set in basketball was by UCLA—and to realize how incredible it was, consider this... Today, it's unusual for any college basketball team to win the NCAA tournament even 2 years in a row, but UCLA won it an amazing SEVEN years in a row... UCLA won the NCAA tournament every year from 1957 through 1973... That's a record that may never be broken.

Did you know that one of the most fantastic rounds of golf ever played was by an amateur golfer, Dr. Joseph Boydstone of Bakerfield, Calif., who in 1962 scored the amazing total of THREE holes-in-one during ONE 9-hole round... That seems hard to believe, but it's true.

"We got to practice every day last week and made the most of the chance to get in a lot of fundamental work and find the right positions for the players. On offense we looked good at times and we continued to pleased with the work of Ron Bryan at quarterback. Bryan didn't play last year and the year off did hurt him a little, but he has had a good spring and looks good both running and passing. Julius Peterson and Phillip Wood, "We still have a lot of team work to do, but the players are willing to do what we ask and that makes it a lot easier to get a lot of work done in a short amount of time. This team may be a little short-handed, but it has an outstanding work ethic and a tremendous desire to give its best."

"If we can stay on plan we'll hold a black-and-gold game next Thursday (March 21) at 4:00," said Wood. "The game will be open to the public and will be a scrimmage-type game, as usual."

always dangerous. The area race will be tough and we'll have to play our best to have a shot at making it to the state tourney."

"We've had to practice around spring football practice for the past two weeks and are probably a little behind where we need to be," added Coach Lowery, "but all we can do is work extra hard when we do practice and make sure that every minute of practice is useful."

The deadline for teams to enter the Men's Softball League in Elba will be Friday, March 15, at 5:00 p.m.

A \$100 deposit must be made by the deadline to insure a spot in the league, which will begin play on April 1.

Elba Lady Tigers are set to return to high school softball

The Elba Lady Tigers will return to the high school softball this season after a long absence and in spite of the teams lack of experience, Coach Morgan Boyd is excited about the Lady Tigers chances of having a winning season.

"I know that the other teams in the area and the other teams on our schedule will have a definite advantage because of having played for the past several years," stated Boyd, "but we've got a good bunch of girls and they have worked hard for the past four weeks to be the best they can be. Hopefully we'll make up for our lack of experience with enthusiasm and hard work and surprise some folks as the season rolls along."

"We had to start at square one with the girls and work our way up slowly," added Boyd. "We had to work with the players on how to field a ball correctly and how to be most effective at the plate. The girls were a little confused at first, but as time passed they all realized what we were trying to do and now they have developed into a pretty good team."

"We expect hitting to be our strongest point early in the season," said Coach Boyd. "We have some girls who can really swing the bat and I expect us to make our opponents field the ball. On defense it will take us a while to settle down, but we've got some good players and once they get some experience they should be a solid defensive team."

"I know that a lot of people think we'll take our lumps this season and not win many games," added Boyd, "but we will go out to win every game we play and give it all we've got and see what happens."

Troy Sportsplex to open April 12-13

The Troy Recreation Department will kick off the 1991 softball season with the opening of the Troy Sportsplex Park, with a tournament April 12-13 in Troy.

Softball tourney to open new Troy Sportsplex on April 12-13

The Troy Recreation Department and Playmaker Sporting Goods of Troy will host its Grand Opening 1991 Softball Tournament at the Troy Sportsplex Softball Park, April 12-13.

There will be separate tournaments for Men's Class B, Class C and Class D, as well as Women's Class B and below.

Entry fee is \$90 per team, and deadline for entering is Friday, April 5, 5 p.m.

Houston Academy is only area team to bring home state title

The Alabama High School Athletic Association held its annual State Basketball Tournament last weekend at Tuscaloosa and Auburn, with only two defending champs being able to claim titles.

Following are highlights of championship action:

CLASS 1A - Houston Academy, led by the play of journey MVP Victor Newman, upset defending champion Autaugaaville in the semifinals and then thumped Courtland 55-52 in the finals to take its first ever state crown. Newman, who has already committed to North Carolina State, scored 34 points and grabbed 12 rebounds in the championship game.

CLASS 2A - Clay County defeated all challengers and knocked off Hazelwood in the finals 64-62 to claim the 2A title. Lance Weems nailed a pair of free-throws with .08 left to lift Clay County to the win.

CLASS 3A - Francis Marion found the going only a little tougher in the 3A ranks as the three-time defending 2A champs claimed the 3A title with a 74-64 win over Southern Choctaw. Alonzo Johnson scored 24 points in the finals to pace the Rams to the crown.

CLASS 4A - Buckhorn survived three tough opponents and shipped Livingston 67-66 in the finals to take the 4A title. Frankie Davidson hit

A 1984 graduate of Enterprise High School, he enlisted in the navy in 1985 and finished the naval nuclear power program first in his class in 1987.

Wilson graduated from Auburn University in August of 1990 with a degree in chemical engineering after being selected for the military college program by the U. S. Navy.

During the ceremony, LTC Wondraske took a few minutes to reflect on LT Jurasek's military performance.

"A promotion is always something special in the military. It comes after hard work and many long days of selfless service, and I can think of no better person who deserves this promotion more than LT Jurasek," said LTC Wondraske. "He has set the standard by which the other lieutenants in the battalion are judged."

He is technically and tactically proficient in all he does. He has brought great pride on his battalion for his duties as a detachment commander during Operation Just Cause and subsequent mission, Nimrod Dancer, the Republic of Panama, continued LTC Wondraske's remarks, LT Jurasek was officially promoted to the rank of First Lieutenant.

LT Jurasek is a 1984 graduate of Elba High School. After graduation, he attended the University of Alabama where he was graduated with a B.S. degree in International Business and Administration.

On May 24, 1988, LT Jurasek received a Commission in the United States Army. He then attended the Ordnance Officers Basic Course at Aberdeen Proving Grounds in Maryland where he graduated top in his class and was selected for active duty.

LT Jurasek attended the Army Paratrooper School at Fort Benning, GA prior to reporting to his first assignment with the 5th Support Battalion at Ft. Polk.

The Sportsplex Softball Park consists of four regulation softball fields with tournament lighting, Tifton 419 Bermuda Grass outfields, 285-foot fences, a professional two-story centralized scoring center with concessions, Hollywood buses, dugout telephones, and much more.

"We're anxious to get started this spring, and we've got a tremendous amount of softball planned for our first year," said facility manager and tournament director Dan Smith.

"We're proud of our facility because we feel it will be a great place to play softball, as well as watch some games. We hope teams from throughout the Wiregrass area of south Alabama as well as teams from a radius of Montgomery, Eufaula, Dothan to Greenville will visit. We have tournaments scheduled every weekend from April to August."

In addition to the weekly invitation tournaments, Troy has already been selected as the sight to host three major tournaments.

On the weekend of June 29-30, the Sportsplex will host the state championship for the Bud Light Triple Crown. Any team can enter the tournament, with winners advancing to the national finals in Steamboat Springs, Colorado.

Three weeks later, Troy will host the Men's Class B Sub-State, and the following weekend will see the finals of the Class B Men's Championship play at the Sportsplex.

There is also the possibility Troy could host a district tournament in the summer. Weekend tournaments this April through August will cater to all divisions of ASA play, including men's A, B, C, D and E, as well as women's B and C tournaments.

For a complete listing of tournaments in Troy this summer, write to Dan Smith, Troy Recreation Department, 500 Elm St., Troy, Ala., 36081. Or call 566-4031 from 8-5 or 566-8398 after 5 p.m.

Captain English awarded medal

Captain Jeffrey H. English, son of Paul and Marianne English of Tuscaloosa, AL, has been awarded the Navy's Commendation Medal for his work with his Vet Clinic in Yokosuka, Japan during his three year tour there.

Captain English is now with the Army's Pathology School at Walter Reed Army Hospital in Washington D.C. He has two children, Michael and Lauren. Captain English is the grandson of Aileen P. English of Elba.

Jeffrey Jurasek receives promotion

On January 10, 1991, 2nd Lieutenant Jeffrey W. Jurasek was promoted to the rank of 1st Lieutenant. This comes after a very active military career.

LTC Wondraske, commander of the 5th Support Battalion (Forward) 5th Infantry Division, Fort Polk, Louisiana. The ceremony took place in LT Jurasek's office in the presence of his wife, Kathleen, and numerous guests.

"A promotion is always something special in the military. It comes after hard work and many long days of selfless service, and I can think of no better person who deserves this promotion more than LT Jurasek," said LTC Wondraske. "He has set the standard by which the other lieutenants in the battalion are judged."

ROUND & ABOUT WITH ERIA - 897-2006

And he said, a certain man had two sons; And the younger of them said to his father, Father give me the portion of goods that falleth to me, and he divided unto him his living.

And not many days after, the younger son gathered all together, and took his journey into a far country; and there wasted his substance with riotous living.

And when he had spent all, there arose a mighty famine in that land; and he went and joined himself to a citizen of that country; and he sent him into the fields to feed swine.

And he would fain have filled his belly with the husks that the swine did eat: and no man gave unto him.

And when he came to himself, he said, How many hired servants of my father's have bread enough and to spare, and I perish with hunger!

I will arise and go to my father, and will say unto him, Father, I have sinned against heaven, and before thee, and am no more worthy to be called thy son: Make me one of thy hired servants.

And he arose, and came to his father. But when he was yet a great far off, his father saw him, and had compassion, and ran, and fell on his neck, and kissed him.

PRAYER

I asked God for strength that I might achieve.

But I was made weak that I might learn humbly to obey.

I asked for health that I might do greater things.

I was given infirmity, that I might do better things.

I asked for riches that I might be happy.

I was given poverty that I might be wise.

I asked for power that I might have the praise of men.

I was given weakness that I might feel my need of God.

I asked for all things that I might enjoy life.

I was given life that I might enjoy all things.

I got nothing that I asked for.

But everything I hoped for.

And though I myself, my unanswered prayers were answered.

I am among all Men Most richly blessed.

FARM NEWS WITH RICHARD PETCHER

Assistant County Agent

4-H PEANUT STORY

The Coffee County 4-H Peanut Club won first place in the State Peanut Club competition this year. There were 17 4-Hers in this club who produced a total of 71 acres of peanuts. I am very proud of all of these youth.

As a part of their peanut project, they are required to write their 4-H story. Over the last few weeks I have included in this column the stories of the top three winners of this club. This week I am including the 4-H story written by Jarrod Adkinson. Jarrod is the son of Mr. and Mrs. Dykes Adkinson of Fairview. Jarrod is in the 8th grade at Elba and excels in school work and most any activity he participates in. Over the last few years he has followed in his father's footsteps and taken quite an interest in farming. Here is his peanut story, and I hope you enjoy it.

Jarrod Adkinson

MY 4-H STORY
My 4-H peanut project has been a very challenging experience. I selected this project because my dad is a peanut farmer. I am very interested in peanuts because this is our main cash crop.

I first became a member of the peanut club in 1989. I started my current peanut project in the spring of 1990.

My peanuts grew until normal conditions until August. August and September are extremely dry months. We irrigated three times. This was the first time I had ever irrigated.

Mr. Petcher, our 4-H leader, and

my dad assisted me with the project. Mr. Petcher gave me helpful information about growing peanuts. My dad helped me with the actual work. I used the information to determine what kind and amount of fertilizer to use after I soil tested and what kinds of seed, seed rates, and chemicals to use.

My dad covered my expenses. The cost was about \$797. This year's cost was more than last year's because I had to irrigate. Diesel fuel was also much higher. I bought fertilizer, chemicals, and seed. I also bought fuel, plow parts, and spent the usual for maintenance and repair. I received \$673.98. I placed my peanuts in GFA Association. GFA markets peanuts and returns the profits to the farmer. This crop year being short looks good for GFA.

I have helped my dad in return for my peanut patch. I have supplied a good quality product for a very reasonable price.

My family was very proud of me. My dad and I spent many hours working together. I learned a lot from my dad about peanuts. My mom said I was a peanut farmer from head to toe because I had a lot of dirt on me each night.

MENU SCANNING

Eating healthy while eating out can be hard to do sometimes. These suggestions may be helpful when looking at a menu.

At an oriental restaurant you may want to try these dishes. Vegetable dishes with steamed rice are an excellent choice. Stir-fried vegetable dishes with small amounts of poultry, fish or meat over steamed rice also works well. Beware of deep-fried dishes like sweet and sour pork, fried rice and noodles, and egg rolls.

If you're eating in an American restaurant, choose these items from the menu.

If you want red meat, choose the leanest cuts grilled or broiled or used in a stir-fry.

Choose baked potatoes over fries.

Leave off sour cream and butter.

Even though the war is over, most people have not come home yet.

If your family member has been deployed to Saudi Arabia, you may feel that you are caught up in a situation over which you have no control. Although you cannot control what is happening with your family member, there are things you can do to maintain control over your own life. Each of these is simply a suggestion to get you started. After you read each one, try to list two or three ways you can follow through and add to the control you have over your life.

Although I cannot control the world situation, I can control many aspects of how it affects my life. I need to take care of myself so that I can continue handling the things that are most important.

I need to simplify my lifestyle. I need to allow others to help me. I need to take one day at a time rather than worry about what may happen in the future.

I need to structure my day. I need to focus on the joys in my life.

I need to frequently remind myself that I am doing the best that I can at this very moment.

Who doesn't remember the thrill of discovering remnants of a bygone era? Perhaps it was a china doll in an old trunk, or a scrolled mirror in Grandma's attic. The more intricate the lace, the more elaborate the carving, the better chance the antique was Victorian.
